FAQs

What currency are your prices in?

All prices are in Australian Dollars (AUD) and are subject to 10% GST

What will Santa talk about?

In addition to talking with the person/people about what's been happening in their lives and their Christmas wishes, Santa will talk about what's been happening at the North Pole, the mischief the Elves have been up to, the characters of each of the Reindeer and the home cooking and all round nurturement of Mrs Claus.

Can I have a call/video/stream any time I want?

The standard rates are for between 15th November to 23rd December and streams and parties should fit into our timetable which we will contact you about. Calls & videos between 24-26th December and for any dates outside of the season are possible but for an additional fee. Contact us for a quote.

How will you get the letter to santa to read out?

For Santa Letters/Pictures, these will need to be posted directly to us well in advance. We will provide you with the postal address once you confirm the booking.

How will you know the personal information about my child?

When you confirm the booking we will send you a questionnaire to fill out about the person/people Santa will be addressing. This will be personal information Santa would know, or the top 3 gifts on their wish-list, or it could even include details of where their gift has been hidden inside the house.

Can I send this as a surprise gift?

Absolutely. The Real Virtual Santa is the ultimate Christmas Gift. Set up a call, video, stream or party with The Real Santa to your unwitting colleague/s, friend or family member for the ultimate Christmas surprise!

If I book a 1 hour session what will you do or talk about?

For Santa Streams and Santa Parties longer than 30 minutes, activities such as stories, games and singing will be introduced. Our Santas are professional entertainers and never run out of things to do or say. Don't worry about that!

Can I book a Real Santa visit in real life?

Yes, as long as you are in any of the following Australian locations: Sydney, Melbourne, Brisbane, Wollongong, Ballarat, Geelong, Gold Coast or Sunshine Coast. See www.therealsanta.com.au and click on your location to see what wonderful services we have available to you!
